

Health and Safety

- *Unfortunately I can't paint children under 3. But I can do something on their arm.*
- *Please ensure your child's face is clean before being painted.*
- *Only hypoallergenic, water based paints are used.*
- *Only cosmetic grade glitter is used.*
- *Although very unlikely I cannot guarantee there will be no reaction - please ask for a patch test if you concerned.*
- *I can't paint any child who appears to be or is suffering from; colds, sores, open wounds, eczema, conjunctivitis, any infections or similar conditions. But I can do something on their arm.*
- *I will not paint any child who doesn't want to be painted!*
